

Greetings, Bikers, Riders, and Community Members!

Join us in celebrating the 25th Anniversary of the Eastern Deaf Bikers with our uplifting theme, “Good Vibes”, introduced by our dedicated Co-Chairs—thank you for your inspiration! Over the past decade, we have shared countless positive experiences, and we can’t wait to make even more memories together! Mark your calendars for August 19 to 23, 2026, when we'll gather at the beautiful KOA campground in Natural Bridge, VA. Each evening will feature a vibrant social ASL hub, a beloved highlight for all attendees. Plus, you'll have the freedom to explore a variety of exciting adventures in the area. Let's come together and embrace the spirit of fellowship and adventure! The Co-Chairs will be sending you a survey and some inquires to gather your view of this event.

Additionally, we are excited to announce that Jessica Willoughby's business platform is now available on the Eastern Deaf Bikers website! You can easily order EDB shirts and other fantastic items to showcase your support for our community. Please visit our website at **easterndeafbikers.org**** to check out the selection. Thank you for your support!**

Sincerely,

President Eric Mansfield

Dates: August 19 to 23, 2026 (Mark your calendars!)
