

Good Evening all,

Two things that I want to mention before this Sunday. See below...

1. Spring Meeting:

The cut off date to RSVP is this coming **Thursday April 2nd at 6 p.m.** Vice Prez Al and I will need to begin planning for food.

Spring Meeting

April 5, 2009

Doors open at 9:00

Meeting starts at 10:30

Location

NVRC

3951 Pender Drive, Suite 130

Fairfax, Va 22030

Directions and information can be found at EDB website. Click on "**EDB Events**" icon and the information is right there with live links to attachments.

2. Membership Dues:

Dues will be accepted at the spring meeting this coming Sunday April 5th without penalty .

The CUTOFF date for dues will be the very next day at 10 p.m. Monday night April 6th!!!! What does this mean??? It means that all non paying members on April 7th will be removed from the EDB mailing list. You will not receive any information about EDB events, news about rides, pictures and announcements for the year, 2009. Your name will be move to the non member list. This is important---if you do decide to renew your membership at later date, the date we receive your dues will be the starting date of your 6 month wait period before you can voice, vote or be elected as an officer in EDB business and meetings. For example you decide to pay your dues on June 1st, you must wait until December 1st before you are allowed to become an officer or to voice and vote in EDB meetings.

So...if you are not planning to come this Sunday and still want to be on EDB mailing list or wish to be elected as an officer this fall on November 1st---get your dues in the mail before this Sunday and have your "stamp posted marked" by April 6th!!! Go to EDB web site and on the left hand of the web page---go down towards the bottom and you'll see icon "renewal forms". click on icon, copy the form, sign the form and send it to Marie Campbell. Her address is located at the top of the renewal form.

Be safe out there and looking forward in seeing you folks this Sunday.

Tom Quinn
EDB President
