The grace period for renewing your membership up to April 6th, the day after after spring meeting. If members miss the grace period---Then they will have to wait 6 months just like new members to voice and vote in meetings during year 2009.

If you want, you can pay your dues at the spring meeting and you will still be able to voice and vote in the meeting.

Note:

---I will be sending a few reminders to all of you up to the meeting.

---If you remember, the members requested and voted to have our meeting spread around across the metro area to be fair to others who live far away. This is why we are having this meeting in Va.

---Don't forget to RSVP!!!! We need the information to plan.

Thank You:

There are many, many of you that continues to support EDB regardless if you were not able to ride with us, or don't have bikes or live too far away. For doing this, EDB becomes very strong and solid because of your support!! I want to thank all of you for supporting as a member regardless of what. I certainly hope you all continue your support. We ARE getting better and stronger every year and your membership to EDB is the key reason!!!

Will be getting back to you shortly...
